IN THE NEWS:

-In late 2008 B-roll completed another HDCAM/F900 shoot for Associated Television Int. A national production company showcasing Cuba, NY's own JT Robertson. JT recently won a train makeover by the ABC "Extreme Makeover" crew. He also helps disabled children ride the trains at the Attica Railroad as well as bringing a smile to many children that he visits at Buffalo's Children's Hospital.

-B-roll partners with Goldfish Marketing providing production support on Sports Recruitment Videos. Videos giving high-school and college students an edge on the competition, helping to get noticed by college coaches from top schools.
